

REMARKS

The Examiner objects to Claim 22. Since the text of the objection in the Office Action was unclear, in a subsequent telephone conversation with the Examiner on October 31, 2005 it was determined that the Examiner objected to reference numbers in Claim 22 introduced in the amendment filed with the USPTO on April 21, 2005. The Amendment A submitted in the present communication removes these reference numbers objected to by the Examiner.

The objections of the Office Action of July 7, 2005 having been obviated by amendment or shown to be inapplicable, withdrawal thereof is requested and passage of Claim 22 to issue is solicited.

Respectfully submitted,

Anatoly Frenkel
